Delenio opened its doors to the vibrant and ever changing Hamilton Park neighborhood in 2007. Ever since, our goal has been to prepare authentic Italian cuisine, made with the freshest ingredients possible. The smell of sautéed garlic and homemade sauce are always lingering in the streets nearby. We strive to make every customer feel like a part of the Delenio family, and make sure they leave with a stomach full of joy and a face full of smiles. We are extremely thankful for all that have supported us thus far and look forward to an exciting future.
